St George's Mental Health
NHS Trust Charitable Fund

Chapel Square Christmas Tree light switch on 2023

Wednesday 13 December 2023, 5:30-7:30pm
Chapel Square, Springfield Village

Join us at the Christmas tree for the inaugural
Springfield Village Christmas Tree light switch on.

There will be mince pies, drinks, carol singing and more.

There is no need to register for this FREE event though a donation
to the Trust Charity would be greatly appreciated.

Our Charity funds people and projects striving to improve care,
support recovery and prevent mental illness. We support charitable
initiatives that add value beyond the limits of what can be funded
by the NHS and go the extra mile in improving people's lives.

Making Life Better Together

NHS

South West London and St George's Mental Health NHS Trust

Welcome to Springfield Village

Springfield Village is a new stigma-breaking landscape centred around modern NHS mental health facilities, more than 800 new homes, a new public square, shops and a 32-acre public park.

Our Trust serves 1.2m people across the boroughs of Kingston, Merton, Richmond, Sutton, and Wandsworth. We support one of the most diverse populations in London and we are proud that this diversity is reflected in our workforce of more than 2,500 staff.

We are reducing stigma around mental health to create inclusive services that aim to be actively anti-racist. We are determined to address health inequalities and ensure service users experience fairness and equality of access, treatment and outcomes.

Together we are Making Life Better for our communities
