

# SPRINGFIELD VILLAGE

Next steps and upcoming consultation on Springfield Park and public realm

View across Springfield Park towards the Grade II listed Main Building

## Dear Neighbour

In September South West London and St George's Mental Health NHS Trust appointed STEP (Springfield and Tolworth Estate Partnership) as their preferred development partner to deliver the Estate Modernisation Programme.

We would like to invite you to attend our upcoming three-day community consultation event at the end of January 2018. This is an opportunity for local residents to meet the STEP team and find out more about our next steps to progress the masterplan.

The comprehensive masterplan for the site, which is being referred to as Springfield Village, will become a vibrant community where healthcare facilities are integrated with new community, residential and commercial uses – helping to remove the stigma attached to mental health treatment.

Importantly, the first stages of the masterplan delivery will include the new 32-acre Springfield Park alongside the new hospital. Building on the public consultation carried out for the Park Strategy in 2015, we would like to showcase the detailed plans and further understand your views on how the park can meet the needs of the community.

The events are taking place on:

- **Thursday 25 January** at Springfield University Hospital
- **Friday 26 January** at Holy Trinity Church
- **Saturday 27 January** at Burntwood School

Further details of the events can be found on the back of this newsletter. We hope you are able to come along to view the plans and meet our team.

**We look forward to seeing you at the events.**

To find out more about STEP and register to receive updates on Springfield Village, please visit [www.springfieldvillage.info](http://www.springfieldvillage.info).

All information on display at the event will be available on the website from **Monday 29 January 2018**.

## When and where?

**Thursday 25 January from 10am to 2pm**

The Restaurant at Springfield University Hospital - Access via Entrance 6, Newton Building, 61 Glenburnie Road, London, SW17 7DJ

**Friday 26 January from 3pm to 7pm**

Holy Trinity Church Hall, Trinity Road, SW17 7RH

**Saturday 27 January from 10am to 2pm**

Burntwood School, Burntwood Lane, SW17 0AQ

The events will be signposted at each venue, but please do not hesitate to contact us if you have any questions.

Please note that parking is available at Springfield University Hospital, however Pay & Display charges do apply.
